

RAMA POLYCON LIMITED

Manufacturer Of HDPE Drums, Jerry Cans, Buckets, Plastic Crates.

PRODUCTS

Industrial Packaging

- HDPE Full Open Top Drums
- Rockets Drums
- Mouzers
- Jerrycans
- Wide & Narrow (Double) Mouth Round Drums
- Buckets
- Industrial Containers & Drums

Material Handling

- Milk Crates (10 - 12 LTRS)
- Ice-Cream Crates

Our History:

We had a humble beginning in 1987 as JB Industries with Chemical Manufacturing.

In 2011, we created a Industrial packaging & material handling division under Rama Polycon Pvt. Ltd.

In 2016, we merged both the firms into Rama Polycon Limited to create a larger entity serving with chemical, material handling and Industrial packaging at one place.

Our Vision:

Our aim is to launch products with futuristic technology for customer delight and satisfaction. We also look forward to work in close quarters with them and provide them a strong, after-sales technical support

Infrastructure:

- Medium packaging
400 metric tons (Per Month)
- Bulk packaging
65000 nos (Per Month)
- Milk crates
94000 nos (Per Month)
- Ice cream crates
36000 nos (Per Month)

Upcoming product : Intermediate Bulk container- IBC

Rockets Drums

Industrial Packaging

Description:

Liquid substances and hazardous chemicals

- Special handle integrated drum for easy transportation.
- Available with Air Vented (Breathing) Caps, which is essential for gas evaporation.

Specification:

Description:

Semi Liquid, Solid and pasty substances like food products, bulk drugs and chemicals

- We have various type of open top drums with a wide range of size and designs.
- All the drums can be available in double layer technology with food grade layer.
- We have 40 liters threaded drums in double layer technology.
- Suitable for Packing Powder.

Mouzers

Industrial Packaging

Description:

Liquid Substances like food products and hazardous chemicals

- Integral handle at center of head with self draining recess. Rectangular container top and bottom are perfectly designed, so that it is easy to store and can be stacked one on top of the other.
- A special master batch with UV stabilizer is used to ensure protection during long-term exposure to sun irradiation and have leak proof mouth with auto sealing system.
- These containers can be transported anywhere as these are sturdy enough to bear the jerk and protect the material from the jolts of the transportation.

Specification:

SIZE	20 LTRS	30 LTRS	35 LTRS	40 LTRS

Industrial Containers & Drums

Industrial Packaging

210 LTR Narrow Mouth Drums

210 LTR Narrow Mouth HDPE Drums

Height : 910 mm

Diameter : 585 mm

Opening : 50 mm 2 Nos

Product Weight : 7.6 to 10.6 KG

235 LTR Narrow Mouth Drums

235 LTR Narrow Mouth HDPE Drums

Height : 1000 mm

Diameter : 590 mm

Mouth: 50 mm 2 nos

Product Weight : 8.3 to 10.6 KG

250 LTR Narrow Mouth Drums

250 LTR Narrow Mouth HDPE Drums

Height : 1040 mm

Diameter : 590 mm

Opening : 50 mm 2 Nos

Product Weight : 9.0 to 10.6 KG

Milk crates (10 – 12 ltrs)

Material Handling

SPECIFICATION	
Inner Length	424 – 430 MM
Inner Width	332 – 338 MM
Inner Height	152 – 158 MM
Outer Length	468 – 474 MM
Outer Width	468 – 474 MM
Outer Height	165 – 171 MM
Weight	1.5 KG

Ice-Cream Crates

SPECIFICATION	
Inner Length	507 – 513 MM
Inner Width	325 – 331 MM
Inner Height	287 – 293 MM
Outer Length	537 – 543 MM
Outer Width	357 – 363 MM
Outer Height	297 – 303 MM
Weight	1.7 KG

Description:

- In-house design and development
- Food grade and Fit-For-Food certified product
- UV stability product | Non degrading
- Product design and construction with zero scope of deformation
- High impact and crack resistance product
- Majority of the products stackable
- Easy water cleaning and bacteria free
- Seamless products without joints
- External marking, labeling, screen printing and foil stamping possible
